

Hey kids! Let's play...

SCIENCE APPROPRIATION BINGO!

B I N G O

Quantum Physics Says...	Energy Vibrations!	Electromagnetic	Limitations of Conventional Scientific Thought	DNA
Other Dimensions	"Studies have proven that..." (no citation)	Holistic "Intergration"	Beyond Space and Time	Pop Science Superstition (eg, "we only use 10% of our brains")
Modulate Frequency Patterns	Polarity	FREE of scientific validity or understanding	Vaguely Defined Anecdote	Neural Energy
Chaos Theory	Western Medicine	Conspiracy of the Scientific Establishment	Negative Energies	Quantum Entanglement
Unified Field Theory	Oxytocin!	Purifying Toxins	Right-Brain/ Left-Brain	Einstein Says...
